## Face to Face Questions Sermon – April 10, 2016

**Chris Osborne**

**Ice Breaker:** What is the most memorable hair style you've ever had?

**2 Corinthians 1:15-2:2; Acts 8:4-8, 26-40; Judges 14:1-3 & 16;**

1. Reflect on your week. How did someone encourage you this week? How might you have encouraged someone? Seek this week to be available. Pray for clarity to see those God is bringing into your life (even if it's just for a moment in the store).
2. Like Philip, are you spending time in the word in order to be ready when God calls you to explain biblical truths to others. Describe a time when you have shared or had someone share with you. Read Matthew 10:20, how does this affect your preparation?
3. We read about Samson & Delilah and think he was just plain "rosch padisch". We need to have wisdom over weakness. What is your area of weakness? What scriptures are you meditating on to bring wisdom over your weakness?
4. Men, what are you doing to make sure you are ready daily to influence the people in your home? How are you being the prime defender of your home?
