## THOUGHT FOR THE MONTH

As the clock rounds midnight and another year closes, a new year rushes to greet us. A new 365 days are waiting like a gift to be unwrapped. God gives us each day, asks us if we will rejoice in it, and leaves the choice to us. The outcome of each part of our lives comes down to a daily choice of attitude. If we choose thankfulness and joy, each day becomes a priceless treasure. If we remain focused on ourselves, our world will close in on us. Life is meant to be celebrated, with each day lived as a gift. Take up the once-in-a-lifetime opportunity to enjoy the gift of today. Choose joy! *"This is the day the Lord has made. We will rejoice and be glad in it."*

~ Psalm 118:24
