THOUGHT FOR THE MONTH

"Fellowship" is a strange word, made up of "fellow" & "ship." The first term implies another person; the term "ship" means a state (apprenticeship), rank (lordship), condition (hardship) or skill (penmanship). Fellowship involves the state of being happily related to others in Christ; the rank of being brothers & sisters in the family of God; the condition of harmony that unites us; & the skill of sweet talk & good deeds among us. Acts 2:42 "And they continued steadfastly in the apostles' doctrine & fellowship, in the breaking of bread, & in prayers."

Some Christians try to go to heaven alone, in solitude. But believers are not compared to bears or lions or other animals that wander alone. Those who belong to Christ are sheep...they love to get together. Sheep go in flocks, & so do God's people.
