THOUGHT FOR THE MONTH

There is a generation following us who will reap the consequences of our actions. The culture around us encourages us to seize the moment, live for today, & do what makes us happy. It

sounds appealing, but it completely disregards the fact that our actions will affect our children, grandchildren, & others we influence. The weight of this responsibility cannot be overstated. We should not neglect the opportunity to influence generations to come for God's glory. Through prayer & perseverance, we can leave a godly legacy & offer a heritage of faith for those who come after us. *"The greatest legacy one can pass on to one's children & grandchildren is not money or other material things accumulated in one's life, but rather a legacy of character & faith."* ~Billy Graham
