FROM THE DESK OF *John Maurer*

*"Even when I am old and gray, do not forsake me, O God, till I declare Your power to the next generation, Your might to all who are to come." Psalm 71:18*

The kind of person you will grow old to be depends a lot on the attitude you bring to each season of life. Society may not fully value those who are considered over the hill as much as those still climbing it, but we can. We know God does. In the bible, we read how He invited Moses, Abraham, and Sarah to do amazing things when they were well past their prime. Who knows what God has in store for you?! God says He numbers our days. We don't know why some die young and others live to celebrate the century mark. What we do know is that getting older is a privilege. Each new day and every season is a gift. Accept them with open arms. The great thing about getting older is that you don't lose all the other ages you've been! What is your attitude about aging?
