FROM THE DESK OF *John Maurer*

From Turning Point Ministries

When the Bible speaks of tribulation, it isn't always talking about the coming Great Tribulation. The English term *tribulation* comes from a Latin word meaning "to press or squeeze." In Romans 5:1-5, Paul tells us that when we are justified by faith, we have 1) peace with God; 2) access to grace; 3) assurance of glory; & 4) reversal of grief. He wrote: "We also glory in tribulations, knowing that tribulation produces perseverance; & perseverance, character, & character, hope." That doesn't mean we're glad when tribulation comes. It means we're glad for the knowledge that whenever we find ourselves in trouble, God knows how to manage it & redeem the circumstances. Whenever we face troubles, we're in the zone of grace. Trust God & let Him use trouble to produce perseverance, character, & hope in your heart. *"If we see only the problems, we will be defeated; but if we see the possibilities in the problems, we can have victory."* Warren Wiersbe
